SUBJ: PERSONAL SAFETY EQUIPMENT FOR FOREST FIREFIGHTING

Re: (1) Base Safety Mgr memo of 6 Mar 86

1. The enclosure provides a list of safety equipment the Forestry Branch employees should have and use when engaged in forest firefighting work. Make sure forestry employees have the safety equipment listed in the enclosure and use the listed equipment when fighting forest fires. Requisition replacement safety equipment as necessary and in a timely manner so forestry employees will have serviceable equipment in hand when fighting forest fires.

Memorandum

DATE: 6 Mar 86

FROM: Base Safety Manager

TO: Director, Natural Resources and Environmental Affairs Division

SUBJ: PERSONAL SAFETY EQUIPMENT FOR FOREST FIREFIGHTING

Ref: (a) Yr memo 5040 NREAD dtd 21Feb86

1. In response to your request for assistance in selecting safety equipment, a meeting with the Base Fire Chief was conducted to discuss needs and available equipment. In addition to this meeting, trade journals and NFPA Codes were researched. Following is a list of personal protective equipment that should be made available to NREAD forest firefighting personnel:

- a. Head protection (hard hats)
- b. Safety toe footwear
- c. Eye protection
- d. Flame resistant coveralls
- e. Escape hood, with particulate filter
- f. Fire shelter
- g. Water (for consumption)
- h. Radio

*Pat - Let's make sure
everyone has this equipment
and use it*

*RJW
3-7-86*

2. In addition to the above items, radio communication capabilities with State Fire Service personnel is crucial to the safety of NREAD firefighters when conducting joint NREAD/State operations.
